THE HEAVENLY LORD'S TEACHINGS PREACH THAT IN THE BEGINNING, HE SAID, "LET THERE BE LIGHT..."
BUT... HE ALSO CREATED TRASH LIKE YOU WHEN HE SAID, "LET THERE BE DARK AS WELL..."

EVEN IF IT CAUSED PAIN AND SUFFERING TO THOSE WHO PREACHED HIS WORDS LIKE MYSELF.

On July 7th of 2001,
a new city was born

The poor and social outcasts from all across the U.S were cast into this city along with immigrants from third world countries

As a result of the population size, the demand for goods made the city the 2nd largest market economy in the U S Large corporations and black markets sprang up to meet all sorts of demands

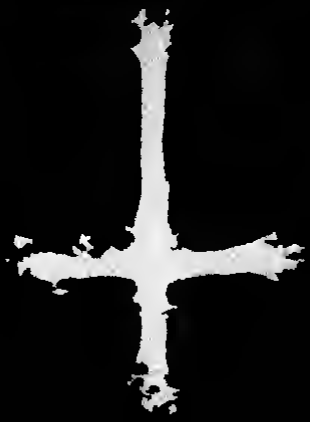
However, any city in the U S with a large population of the poverty stricken and criminals. .

. is considered nothing but a problematic headache and was treated like a waste dump.

. called this N O A City (Necropolis of America)

Those who unfortunately had to live here

The appearance of the 3rd criminal, Jun Damban, the Pagans...



...occurred here.
